Article 1 — Who We Are

Stichting Earthkeepers (hereinafter: "the Foundation") is a registered Dutch nonprofit foundation (stichting) whose mission is to restore and deepen the connection between people, spirit, and the living earth. The Foundation supports ceremonies, sound journeys, retreats, sacred gatherings, and related offerings in the Netherlands, Belgium, the United Kingdom, Spain, and online.

The Foundation is not a commercial enterprise. It does not sell services at fixed prices. All offerings are made in a spirit of gift and sacred reciprocity.

Article 2 — Applicability

These terms apply to all donations made to the Foundation, all registrations for gatherings and events, and all contact with the Foundation via its website, email, or other channels. By making a donation or registering for a gathering, you confirm that you have read and accepted these terms.

Article 3 — Donations and Gift Economy

3.1 All offerings received by the Foundation are voluntary donations. There are no fixed prices. Contributors are invited to give what feels true and right to them.

3.2 Donations are used to sustain the Foundation's mission: supporting practitioners and facilitators, funding ceremonies and gatherings, enabling travel, and carrying this work to those who are called.

3.3 The Foundation is transparent about how donations are received and distributed, in alignment with Dutch nonprofit law and the Foundation's governing statutes.

3.4 The Foundation does not charge VAT (btw) on donations. Donations are exempt from VAT as voluntary gifts to a nonprofit foundation.

Article 4 — Registrations and Gatherings

4.1 Registration for a gathering, retreat, sound journey, or ceremony constitutes an agreement between the participant and the Foundation.

4.2 The Foundation reserves the right to cancel or reschedule a gathering due to circumstances beyond its control (force majeure), including illness of facilitators, insufficient registrations, location issues, or other unforeseen circumstances. In such cases, participants will be notified as early as possible and any donations received for that specific event will be refunded.

4.3 Participants are expected to arrive in a condition fit for participation — rested, sober, and emotionally present. The Foundation reserves the right to ask a participant to leave if their presence significantly disturbs the safety or sanctity of the gathering.

Article 5 — 14-Day Withdrawal Right (EU Consumer Right)

5.1 If you have registered for a future gathering or made a donation online, you have the right to withdraw from this agreement within 14 calendar days of the date of registration or donation, without providing any reason.

5.2 To exercise this right, notify the Foundation within 14 days by email to maurice@earthkeepers.eu, clearly stating your intention to withdraw and the relevant registration or donation.

5.3 If you exercise the withdrawal right, any payment made will be refunded within 14 days of receipt of your withdrawal notice, using the same payment method unless otherwise agreed.

5.4 If the gathering takes place within the 14-day withdrawal period and you have requested participation to begin immediately, you acknowledge that your withdrawal right is limited to the proportional part of the service not yet received.

Article 6 — Cancellation by the Participant

6.1 If you wish to cancel your registration for a gathering outside the 14-day withdrawal period, please notify the Foundation as early as possible.

6.2 Because the Foundation operates on gift economy principles and donations are voluntary, there is no fixed refund policy for late cancellations. However, the Foundation will always seek a fair and compassionate resolution. In general:

More than 4 weeks before: full refund of any donation made for that event. 2–4 weeks before: partial refund at the Foundation's discretion. Less than 2 weeks before: no refund, unless the Foundation can fill the place from a waiting list.

6.3 In exceptional personal circumstances, the Foundation will always consider the situation individually.

Article 7 — Liability

7.1 The Foundation offers its gatherings and offerings with full care, presence, and integrity. However, it cannot guarantee specific outcomes or results.

7.2 Participation in ceremonies, sound journeys, and retreats is voluntary and at the participant's own risk. Participants are responsible for ensuring they are in a suitable physical and mental condition to participate.

7.3 The Foundation is not liable for indirect or consequential loss, or for personal injury sustained during a gathering unless caused by gross negligence or wilful misconduct on the part of the Foundation or its facilitators.

7.4 The Foundation's total liability is in all cases limited to the amount donated for the specific event in question.

Article 8 — Privacy

The Foundation processes personal data in accordance with its Privacy Policy, published at earthkeepers.eu/privacy-policy. By registering or donating, you consent to the processing of your data as described therein.

Article 9 — Intellectual Property

All content created and shared by the Foundation — including texts, recordings, music, rituals, and other materials — remains the intellectual property of the Foundation or its facilitators. Nothing may be reproduced, distributed, or used commercially without prior written consent.

Article 10 — Governing Law and Disputes

10.1 These terms are governed by Dutch law.

10.2 Any disputes arising from these terms or from a participant's relationship with the Foundation will be submitted to the competent court in the Netherlands.

10.3 The Foundation and participants will always first seek to resolve disputes through mutual dialogue and goodwill.

Article 11 — Amendments

The Foundation reserves the right to amend these terms. The current version is always published at earthkeepers.eu. For ongoing agreements, changes take effect 30 days after notification.
